*The Recipe called for sunshine, 22 degrees temperature, great golf courses and good fellowship. Guess what? The committee under the stewardship of **John Caruso** delivered exactly what the recipe said. The IGA Queensland trip proved again to be arguably the best event in the year's golfing calendar. We played the Glades, the Palms and the brilliant Hope Island golf courses. A total of 31 players took part and they along with 8 partners proved once again what a wonderful club we all belong to and demonstrating what fellowship is all about.*

*Winning the Glades were **Maurice Forte** with A grade and **Wayne Ford** taking B grade. Day two seen us at the Palms, a more difficult venue but not for **Frank Sabo** and **Stan Klain** with A and B grades respectively.*

*Hope Island sorted out the boys, **Rob Bisignano** cleaned up A grade and **Dominic Patti** a worthy B grade winner.*

***Keith Seabrook** was the overall winner of the three days of golf and in accepting his prize money Keith generously donated the money back to the club's Charity Fund. Well done Keith!*

What is said on the Bus stays on the Bus!!!!

And just as well, over the three days of bus trips, **Frank** “the mouth from the south” **Tarzan Cosimo** and not to be out done, **Angelo** “I love gay people” kept the passengers in a continuous state of laughter.

No wonder the golf suffered. A one point the driver had to don ear pieces to enable him to concentrate on the driving.

Thankfully the journeys were relatively short, as **Wayne Ford** was in danger of wetting himself.

The stories ranged from X rated jokes to epic tales of horse sh@# from **Frank** and I phone nude photo from **Murphy**

Stan Klain joined the IGA back in 1992 and since that time has been an active member and regular sponsor of our golf days. Stan hails from a Polish background, his family moving to Australia to escape the disaster of Europe and WW2. During pre golf days Stan was a keen soccer player occupying a variety of positions on the field, he claims to be best inside out player on the team. Running foul of referee Carlo Travaglini was not among some of his better memories.

As a passionate supporter of the Red and Blue Foundation, Melbourne Footy Club, is another of Stan's weaknesses. With his wife Flora, they both enjoy leisure time in Yarrowonga each year and the river golf courses. Soon they will be off to Hawaii and then onto New York for an extended holiday. Stan's favorite club is his 3 wood and boy can he give that a smack. Having changed to Callaway Fusion clubs Stan's handicap is sure to be heading to lower figures. so watch out for the Bandit.

Emma Beauclerc and her company Golf OZ had the Queensland Golf Trip totally under control ensuring transfers, golf clubs, bookings, name tags and tee times were all carried out with military precision.

Well done Emma and special thanks to Allan for his safe driving and Kari for the photographs.

Five Pearls of Polish Wisdom

(With respect to Stan the man)

- ✦ Money cannot buy happiness but somehow it is more comfortable to cry in a Mercedes Benz than on a bicycle
- ✦ Forgive your enemy but remember the bastard's name
- ✦ Help a man in trouble and he will remember you when he is in trouble again
- ✦ Many people are alive only because it is illegal to shoot them
- ✦ Alcohol does not solve any problem, but then neither does milk

Man goes into a Pharmacy and asks to speak to a male pharmacist. The woman she was the pharmacist and she and her sister owned the shop.

Man says what he has to discuss is very embarrassing and he would prefer to talk to a male. The female pharmacist she he should have no worries in telling he of his problem. Reluctantly he agrees.

Well he says I have a permanent erection and it causing me a lot of problems and severe embarrassment. So I was wondering if you could give me anything that would cure the problem. The female pharmacist says just a minute I will need to discuss this with my sister.

When she returns she says to the man, we discussed your problem at length and the absolute we can do is..

One third ownership of the shop, a company car, and \$3000 a month living in expenses.

An elderly man is stopped by police at around 1.00 am and asked where he was going at this time of night?

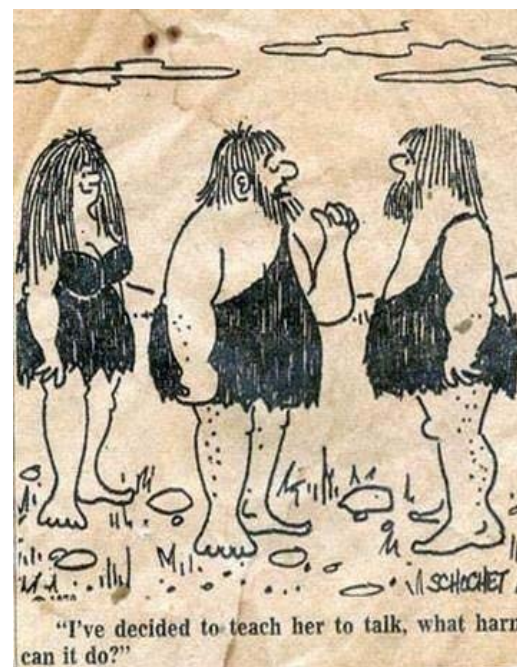

Man replies I am going to a lecture about alcohol abuse and the effects it has on your body.

Oh really? Says the officer and who is giving lecture at this time of the night?

Man replies **My Wife !!!!!!!**

Live your life in such a way that when your feet hit the floor in the morning, Satan shutters and says...

Oh shit! "He's awake"
